

IMPORTOMATIC®

FAST AND EASY DATA INTEGRATION FOR RAISER'S EDGE™ & RAISER'S EDGE NXT™

Faster. Cleaner. Automated.

There's no better way to get data in and out of Raiser's Edge & Raiser's Edge NXT

Say goodbye to messy imports and hello to clean, standardized data.

Import and export data from any source quickly and easily.
And ask us how to skip the spreadsheet step.

No more workarounds.
No more keying in of data.
And no more duplicates.

Your data. Your rules.
Ready to automate,
again and again.

Think of it as better, faster, better.

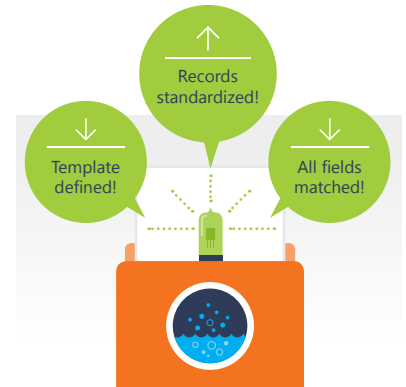

ImportOmatic gives you data integration so advanced, you'll be done in no time! Whether you want to drill down or set up a scheduled import, ImportOmatic redefines "efficient" with baked-in intelligence to clean data, smart profiles for tailored processing, and new connectors that make import and export a one-step process. It's time to spend less time manipulating your data and more time leveraging it.
